

2025/2026 SPOTLIGHT CLASSES

More Than Just Great Dancing![®]
Affiliated Dance Studios

Our Spotlight classes are designed for dancers who thrive with extra attention and individualized guidance. Each class maintains a low student-to-teacher ratio, allowing instructors to focus more individually on each dancer. These classes foster a supportive, close-knit environment where dancers can build confidence and advance at their own pace. Students must be the appropriate class age by August 1st, 2025.
